Introduction

We take pride and pleasure of introducing ourselves, Sibta Projects & Trading, a firm located in the State of Qatar.

Sibta Projects & Trading has laid a firm foundation in Qatar in marketing various types of products i.e. Pipes & Fittings, Valves, Power Cables, Water & Waste Treatment Equipment and Mass Transfer Equipment such as Odour Control and Degasification Systems.

Our Activities covers supplying items for sewerage, water, gas, oil, industrial and infrastructure projects in Qatar. We also provide services to piping systems such as cleaning and internal protective coating.

Our reputation as one of the leading names in the local market (Qatar) has been built on both quality and service.

Philosophy

At Sibta Projects & Trading, we have embarked on a mission to develop and diversify our range of clientele and activities to cover a wider band of the local market, carrying forward our traditions of dedicated service to our clients.

By putting our customers requirements at the forefront of our thinking and carrying innovative products to new markets, we Sibta Projects & Trading have every confidence that our future will prove just as successful we are to date and confidently forward to an even better future and will further establish ourselves in prominent position in the Local Market and Gulf Areas.

Sibta Projects & Trading as “ Representative “

Sibta Projects & Trading is marketing almost complete range of products in the following fields namely:

Sewerage

Water

Gas

Oil

Industrial & Infrastructure

Services to piping systems such as cleaning and internal protective coating.

We represent the following renowned companies worldwide and market their products and services in Qatar as shown in the following pages.

OUR RANGE OF PRODUCTS / SCOPE OF SUPPLY MECHANICAL & ELECTRICAL

Please find below our products for Electro Mechanical Supply:-

ODOUR CONTROL UNITS (DEODORIZER)

Odour Control Units (Deodorizer / Scrubber) – from M/s. TECNIUM – Spain.

CARBON

Activated Carbons – from M/s. TECNIUM – Spain.

SCREENS

Mechanical Screens

PUMPS

Submersible & Centrifugal Pumps

VALVES

Air Release Valves – from M/s. VENT-O-MAT – South Africa.

Gate, Butterfly, Ball, Globe, Knife Check, Control Valves

Valves and Fittings for Water, Gas and Fire Protection – M/s. Aeon International Gulf LLC – UAE / U.K.

Flow Control Valves, Pressure Reducing, Altitude, Modulating Valves – from M/s SINGER VALVES - CANADA

Penstocks & Stop Logs – M/s. WATERMAN – U.S.A.

Gate, Ball, Globe, Check, Plug, Diaphragm Valves and Fittings – Vanasan - Turkey

PIPES AND FITTINGS

Reinforced Concrete (R.C.) Pipes, R.C. Jacking Pipes – M/s. AL BILAD – Saudi Arabia.

uPVC Pipes & Fittings – M/s. SAPPCO – Saudi Arabia

Carbon Steel, SAW Pipes and Fittings

Vitrified Clay Pipes & Fittings – Ceramic Pipes Company – Saudi Arabia

ELECTRICAL & TELECOMUNICATION CABLES

Building Wires, L.V. Cables

Cables (Instrumentation, Control, Hi- Frequency, Data, Video, Specialized)

CABLE TRAYS, CABLE LADDER & CABLE GLANDS, EMERGENCY CONVERSION EQUIPMENT.

Cable Glands

Cable Trays & Accessories

Earthing & Lightning Protection System – M/s. ALLTEC – U.S.A.

FLOOR DRAIN, ROOF DRAIN & VENT COWL

Floor Drain, Roof Drain, Vent Cowl

Manhole Covers – M/s. Riyadh Foundry – Saudi Arabia.

GUARD RAIL (CRASH BARRIER) & LIGHTING POLES & HIGH MAST POLES

Lighting & High Mast Poles, Guard Rails

Aluminum Poles, Decorative Poles & Luminaries – M/s. ROSA - Poland

TECNIUM - SPAIN

World leading designer and manufacturer of techniques and equipment that guarantee environment protection (air & water) and optimize industrial process.

Range of Products:

- Deodorizer for elimination of Odors in municipal wastewater treatment plants & pumping stations. Activated Carbon Bulk Type Deodorizers, Wet scrubbers, contact towers for industry, packing for contact towers.
- Wide range of centrifugal pumps resistant to abrasive & corrosive liquids.
- Solutions to problems of air intake and ventilation, by providing wide range of centrifugal and axial fans prepared to operate with highly corrosive gases.

WATERMAN - U.S.A

An internationally recognized manufacturer of cast iron and fabricated metal sluice and slide gates/penstocks, flap valves, telescopic valves, mud valves and other related products for use in water, wastewater an sewage treatment plants and other control application.

VENT-O-MAT - SOUTH AFRICA

“VENT - O - MAT” one of the largest Air Valves manufacturers in the world, was established in 1982 on a unique & advanced “Air Release & Vacuum Break Valves” design.

Range of Products:

- Anti - Shock” Air Release & Vacuum Break Valves: SS, CS.

Singer Valve - Canada

Manufacturer of High Performance valves, Pressure Reducing, Relief / Sustaining / Surge valves, Pump Control Valves, Level Control, Flow Control Valves, Electronic Control Valves

Vanasan - Turkey

Manufacturer of Various valves such as Gate, Ball, Globe, Check Plug, Diaphragm Valves and Fittings

RIYADH FOUNDRY - Kingdom of Saudi Arabia
Manufacturers of Manhole covers

SAUDI PLASTIC PRODUCTS CO., LTD. (SAPPCO) - Kingdom of Saudi Arabia

Manufacturers of uPVC Electrical Conduits & Accessories, uPVC Sewage & Drainage Pipes & Fittings, uPVC Pressure Pipes & Fittings, uPVC & PE Profiles & Accessories for Construction Works, cPVC Pressure Pipes & Fittings Hot & Cold Water Services.

AL BILAD CONCRETE CO. LTD. - SAUDI ARABIA

A Manufacturer of reinforced concrete spun pipes and related concrete products which are used for sewerage, storm water, drainage, irrigation systems.

Range of Products:

- Reinforced concrete spun pipe (Bell & Spigot, Tongue & Groove)
- Plasti-lined (P.V.C. Lined) R.C. Pipe (Diamond Shape)
- Perforated R.C. Pipe
- R.C. Jacking Pipe
- Non Reinforced Concrete Pipe, Fittings, Manholes, Catch Basins

ALLTEC CORPORATION - U.S.A.

Manufacturer of Earthing & Lightning Protection / Accessories.

Aeon Internation Gulf LLC - UAE / U.K.

Manufacturer of Valves and Fittings for Water, Gas and Fire Protection

CERAMIC PIPES COMPANY - SAUDI ARABIA

Manufacturer of Vitrified Clay Pipes & Fittings

AFL TELECOMMUNICATIONS - UNITED KINGDOM

AFL Telecommunications is an industry leader in providing O.P.G.W. & fiber optic products, engineering expertise and integrated services to the telecommunications industry.

ROSA - POLAND

Manufacturer of Aluminum Poles & Mast, Plastic Coated Poles, Park & Street Luminaries, Connection Boxes, Raising & Lowering Poles, Diffusers

F.T.C. S.r.l. - ITALY

Designs and produces cables with special characteristics and it is able to meet requests which do not find any answer in the standard production. Raw materials involved in our production are RoHS compliant and free from lead, halogens and heavy metals, according to the spirit of the most recent norms to protect environment and users.

The logo for Bikar, featuring the word 'Bikar' in a white, bold, sans-serif font on a red background.

Bikar

Manufacturers of Expansion Joints

BIKAR - SPAIN

Manufacturer of fabric, rubber, and metal expansion joints, & compensators, a highly qualified technical department.

GLOBAL THERMOELECTRIC'S - CANADA

We offer solutions based on industrial gensets, hybrids, photovoltaics, grid-connected systems and combined heat and power systems. We constantly monitor new power technologies and work with partners to integrate them into the world's best remote power systems.

SHIN NAN - TAIWAN

Shin Nan Casting Factories have been producing quality cast iron pipes and fittings for potable water, sewerage and gas applications since 1955.

WESTFALL STATIC MIXER - USA

Westfall specializes in custom-engineering components used in pipeline systems for water treatment, wastewater treatment, petrochemical, pharmaceutical, chemical, food and beverage industries. Each of our products was designed to solve a problem for our customers and to perform better than competitive products.

IPEX - USA

The IPEX Vortex Flow Insert (VFI) is a revolutionary technology for eliminating odorous emissions and minimizing corrosion in vertical sewer drops. With no moving parts and requiring virtually no maintenance, VFIs have delivered significant cost savings in installations across North America.

ISOIL - ITALY

Supplier of Flow meter specializing in the movement of hydrocarbons and **ISOIL INDUSTRIA** which continues the commercial activities of selling foreign brands of instrumentation and its line of flowmeters under the brand **Isomag**™

PURE AQUA - USA

Pure Aqua, Inc. is a leading manufacturer and wholesale distributor of water treatment and commercial water purification systems. We offer a wide range of pre-engineered as well as custom engineered solutions for all water purification needs.

Water Treatment Products by Pure Aqua, Inc.: [Brackish Water Reverse Osmosis](#), Sea Water Reverse Osmosis, Double Pass Reverse Osmosis, Automatic Multi Media Filters, Automatic Carbon Filters, Cartridge Filters, [Automatic Water Softeners](#), Electrodeionization, EDI, Two Column DI or [Mixed Bed Deionizers](#), Ultra Violet Sterilizers (UV), Chemical Dosing Systems, Ozonation Systems, Chlorination Systems, and Custom Built [Water Treatment Systems](#), Water Purification Systems and [Commercial Water Purification](#) Systems.

Sales

Our suppliers products have always met the high standards and most stringent client's demands that exist today in the local market and worldwide.

Applying high standard of quality gave our suppliers products unparalleled reputation in the market due for its durability and dependability.

Our Suppliers products has been approved by reputable agencies such as ISO (International Standard Organization) etc....

Sibta Projects & Trading on the other hand has implemented its own marketing strategies to develop and maintain its position in the market and overcome challenges and severe competition.

The main components that our firm has adopted as an effective marketing instruments are:

- * ***Pricing***
- * ***Services***
- * ***Quality***

These elements pave way of what we are today and is considered as priority principles when penetrating any new market thus establishing a strong and long term presence and image in the Local Market and Gulf Areas.
